

An opportunity for a massage therapist to rent a professional therapy room on a flexible basis within a busy Chiropractic Clinic which has been running in Bovey Tracey for 8 years now. The clinic is located in a prime location within the town square of Bovey Tracey. The room is situated on the ground floor with on street parking immediately outside and a car park within ...yds.

The clean, bright, modern therapy room is served by a reception area and toilet. It is furnished and well equipped with a formal consulting area and adjustable treatment couch along with secure storage for patient files and shelving for towels etc. Services including heating, water and Wi-Fi are included.

There is opportunity for the therapist to advertise on the Bovey Tracey Chiropractic Clinic website and to display signage outside the clinic. The room is available for hourly, half day or full day rent on a Tuesday, Wednesday, or Friday and at weekends. The therapist would initially need to manage their own appointment system and client payments.

**To discuss this opportunity or organise a visit please email Joseph Arkle at
